Description:

Rich full color example, from the first edition of Carey & Lea's Atlas. One of the first separate maps of the newly independent Colombia and Venezuela, which was still steeped in Revolution under the irrepressible work of Simon Bolivar. The map is surrounded by details on the country, its soil, climate, history, populations, city information, government and a host of other historical and political details. Carey & Lea's Atlas is highly prized not only for its cartographic information but the marvelous information about each of the states and territories which is included. The atlas was issued in 6 editions in English, French & German between 1822 and 1827.
