### Description:

A nice example of Vandermaelen's Key Sheet to his map of North America, published in 76 Sheets, probably the grandest North American Wall map of the 19th Century. From Vandermaelen's remarkable 6 volume atlas, which if combined as globe gores forms an immense globe. Vandermaelen accomplished the first atlas mapping of the world on a uniform scale. His treatment of the Western US is a landmark in the history the cartography of the Transmississippi West, undertaking to map in 20 sheets a region which American publishers were virtually ignoring.
