**Sketch of Public Surveys in New Mexio to Accompany Report of Surveyor General For  
1862**

**Stock#:** m0854  
**Map Maker:** U.S. State Surveys  
**Date:** 1862  
**Place:** Washington  
**Color:** Uncolored  
**Condition:** VG-  
**Size:** 28 x 21 inches  
**Price:** SOLD

**Description:**

One of the earliest obtainable surveys of New Mexico, which is shown extending from California to Texas. Includes details of Indian Tribes, early roads, towns, forts, Indian Reservations, Mountains, the Old Spanish Trail, Mormon Fort, Whipple's Route to California, the Overland Mail Route, etc. Minor loss to the outer neatline in the lower left, as is often the case, and some other minor fold issues, but in all a good example.

**Detailed Condition:**
