Description:

2 double page maps and 9 single page maps in full original color along with a chart. Wraps with text and decorative border. Generally VG+, with the usual school atlas faults including soiling on covers. Contains a double page coast to coast map of the US (copyright 1828) showing North West Territory from Michigan to the Mississippi River, Missouri Territory from the Mississippi to the Rockies and Oregon Territory from the Rockies to the Pacific, and Arkansas with a western extension. Other maps include: World (dp); World with religion chart; North America; New England; Middle and part of the Southern States; Ohio/Indiana; South America; Europe; Asia; Africa; chart showing the size, population and government of various world regions. A very good early edition of Olney's popular School Atlas, which enjoyed a long publication run, first issued in 1829. His School Atlas was accepted as a standard work and used for thirty years in almost every American public and private school.
