Description:

Nice old color example of Hondius' map of Spain, first issued in 1631. This map replaced the prior Mercator-Hondius map, which was first issued about 1606. It includes 4 sailing ships, a compass rose, decorative cartouche and ornate coat of arms. This edition of the map is much scarcer than the earlier editions. Includes the Baleric Islands. A few very small wormholes, but overall an attractive example.
